Dear Mr. Bonsak,

When my home telephone was disconnected recently through a misunderstanding regarding the date I was to move from one residence to another, [redacted] (your C&P representative here at Agency Headquarters) was most helpful in slicing through the red tape and having the service restored in less than a half hour.

I'm very grateful for his quick reaction and assistance but wanted you to know also what a fine representative C&P has in [redacted]

Yours sincerely,

STANSFIELD TURNER
